PROPOSALS WILL BE EVALUATED IN ACCORDANCE WITH THE PROCEDURES AS OUTLINED BELOW IN SECTION 3-110 OF THE PROCUREMENT ORDINANCE. ALL PROPOSALS WILL BE KEPT CONFIDENTIAL UNTIL AFTER AWARD.

3-110. Competitive Sealed Proposals (Negotiations)

(1) Conditions for Use

When the Purchasing Manager determines that the use of competitive sealed bidding for any procurement is either not practicable or not advantageous to the City, a contract may be entered into using the competitive sealed proposals (negotiation) method. In addition, the competitive sealed proposal process shall be used for the procurement of professional services, specialized equipment or supplies.

The competitive sealed proposal process may be used for procurements with an estimated total cost less than \$25,000.00, if deemed to be in the best interest of the City. If the total cost can be determined, the authority to approve such solicitations will be as prescribed by [article 3-104](#), Purchasing Limits. If, due to the required services, a total cost cannot be determined then the award recommendation will be approved by Council.

A. Request for Proposals

Proposals shall be solicited through Request for Proposals. The Purchasing Division shall establish the specifications with the using agency and set the date and time to receive proposals. The request for proposal shall include a clear and accurate description of the technical requirements for the service or item to be procured.

B. Public Notice

The public will be given adequate notice of the request for proposals, provided that, adequate notice shall mean at least fifteen (15) business days before the due date, which is stated in the request. ***The City reserves the right to seek request for proposals in a shorter period, if necessary, as determined by the Purchasing Manager.***

Notice shall be published in a reasonable time before due date, contain a description of the procurement in general terms, as well as, the place and due date for proposals, and appear in a newspaper(s) of general circulation, specifically the City's legal organ. In addition to publication in newspapers, notice shall also be made by electronic means, including posting on the internet and on the City's government access television channel.

Public works construction projects shall be advertised in accordance with Georgia State Law.

The City reserves the right to mail or e-mail invitations directly to vendors under the following circumstances:

- Solicitations for specialized equipment/supplies.
- Solicitations for specialized services.
- Re-bid of solicitations where normal advertising procedures netted no responses.
- Whenever deemed necessary by the purchasing manager.

C. Receipt of Proposals

Proposals must be received by the deadline date established. No public opening will be held. No proposals shall be handled to permit disclosure of the identity of any offeror or the contents of any proposal to competing offerors during the process of discussion. A register of proposals shall be prepared as part of the contract file, and shall contain the name of each offeror, the number of modifications received (if any), and a description sufficient to identify the item offered. The register of proposals shall be open for public inspection only after contract award.

D. Evaluation Factors

The request for proposals shall identify the relative importance of cost (when applicable) and other evaluation criteria.

E. Evaluation Process

An odd number of voting members of a Selection or Evaluation Committee shall evaluate all proposals received based upon the criteria stated in the request for proposals. Each voting committee member shall grade each submitted proposal based upon the evaluation criteria.

F. Discussion with Responsible Offerors and Revisions to Proposals

As provided in the Request for Proposals, discussions (negotiations) may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award, to assure full understanding of and conformance to the solicitation requirements. All qualified, responsible offerors shall be given fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of the identity of competing offerors or any information derived from proposals submitted by competing offerors. If only one proposal response is received, then the award recommendation shall be to the single offeror, if the offeror meets all requirements.

G. Award

After negotiations, the award recommendation must be presented to Columbus City Council for final approval. Award will be made to the responsible offeror whose proposal is determined to be the most advantageous to the City, taking into consideration total cost (if determined) and all other evaluation factors set forth in the Request for Proposals.

After Council approval, a contract based on the negotiations (if negotiations were necessary) will be drawn and signed by all necessary parties. If Council does not approve the award, it may direct that further negotiations may take place with the recommended offeror, or that negotiations begin with the next most qualified offeror. Council may also exercise the option to reject all offers and instruct the Purchasing Manager to begin the procurement process again. The contract file shall contain the basis on which the award is made.

After contract award, the contract file, will be made public. Unsuccessful offerors will be afforded the opportunity to make an appointment with the Purchasing Division for a debriefing. After the award, the contract file and the unsuccessful proposals will become subject to disclosure under the Georgia Open Records Act.

3. **Excuse for Nonperformance or Delayed Performance.** Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the contractor has notified the Purchasing Division Director within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of public enemy; acts of the City and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. SPECIFICATIONS
**Workplace Ergonomics Training and
Consulting Services (Annual Contract)**
RFP No. 23-0005

I. INTRODUCTION & SCOPE

Columbus Consolidated Government (“the City”) employs approximately 3,000 people in positions which include office work, field work and public safety occupations. It is important to the City that all these employees utilize best practices to ensure their tasks are carried out safely and with the minimum risk to the health and safety of those employees, their colleagues, and the public. For office workers, this has become particularly important since remote working, at least part of the work week, has become the norm for many departments within the City government.

The City is requesting proposals for workplace ergonomics training and consulting services for the Risk Management Program. The successful firm shall assist with development of an ergonomics policy and provide training services on an as-needed basis.

II. CONTRACT REQUIREMENTS

A. Assist with Development of an Ergonomics Policy, to include:

1. A policy based upon Federal OSHA and State regulations.
2. A method to provide ergonomic evaluations.
3. Implementation of control measures to mitigate employee risk.
4. Expert-led ergonomics training whether in-person or online

B. Training Services

Training may be either in-person or online and should be directed toward the following goals:

1. Helping our employees understand how to self-evaluate their work environments, whether that be within an office or outside in the field.
2. Helping our employees understand the importance of ergonomics in assessing risks whether working at an employer worksite or at home.
3. Helping our employees understand how to set up an ergonomic worksite even in situations where all the right equipment is not available.
4. Helping our employees working at home create quick fixes using household items to safely create a more comfortable and productive work environment.
5. Helping our employees understand how to practice self-care and safe work behavior strategies.

III. TERM OF CONTRACT

- A.** The initial term of the contract will be for two years, with the option to renew for three additional twelve-month periods. Contract renewal shall be contingent upon the mutual agreement of the City and the Contractor.

Notice of intent to renew will be given to the contractor in writing by the City Purchasing Manager, normally sixty days before the expiration date of the current contract period.

It should be noted that multi-year contracts may be continued each fiscal year only after funding appropriations and program approvals have been granted by the Council of the Consolidated Government of Columbus, Georgia. In the event that the necessary funding is not approved, then the affected multi-year contract becomes null and void, effective July 1st of the fiscal year for which such approval has been denied.

B. Termination for Convenience:

For the protection of both parties, either party giving 90 days prior notice, in writing, to the other party, may cancel this contract.

IV. PRICE ADJUSTMENT CLAUSE

Contract pricing shall remain fixed for the initial two-year term of the contract. After the initial term, Contractor may request a price escalation by submitting a fully documented request (i.e., documentation from manufacturers illustrating the necessity to implement price increases). ***Request for price increases, without documentation, shall not be considered.*** Such escalation shall not exceed a five percent (5%) increase. The using department(s) and the Purchasing Manager will review the request and shall approve or disapprove the increases based on budget constraints and other price comparisons.

If for any reason the contractor has a price increase that exceeds five percent (5%), the price increase will be evaluated on a case-by-case basis. The City and the Contractor will have the option to discuss and make adjustments to the requested increase. If either party declines approval of the adjustments, the contract will be considered cancelled on the scheduled expiration date of the contract.

V. INDEMNITY CLAUSE

The Contractor covenants to save, defend, hold harmless, and indemnify the City, and all of its officers, departments, agencies, agents, and employees (collectively the “City”) from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney’s fees), charges, liability, or exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor’s intentional, negligent, or grossly negligent acts or omissions in performance or nonperformance of its work called for by the Contract Documents.

VI. INSURANCE

The vendors shall be required, at their own expense, to furnish to the City of Columbus Purchasing Division, evidence showing the insurance coverage to be in force throughout the term of the contract. Insurance requirements are listed on the attached **Insurance Checklist**. **The limits shown are minimum limits. Vendor shall indicate the actual limit they will provide for each insurance requirement. The bidder shall complete the Insurance Checklist and include with bid response. Certificate of Insurance is acceptable.** The Insurance Checklist will indicate to the City, the bidder’s ability and agreement to provide the required insurance, in the event of contract award.

The successful candidate shall provide the required Certificates of Insurance within **10 business days** after award notification. The Certificates of Insurance will name Columbus Consolidated Government as an additional insured, **as well as list the applicable project or annual contract name, and/or solicitation name and number.** The Certificate of Insurance will be included with the contract documents prior to signing.

VII. E-VERIFY AFFIDAVIT

Pursuant to O.C.G.A. § 13-10-91, a public employer shall not enter into a contract for the performance of services unless the contractor registers and participates in the federal work authorization program. If a supplier is providing services under a contract with a total compensation amount of \$2,500 or greater, (even if such services will be performed outside of the State of Georgia), Columbus Consolidated Government requires a notarized affidavit from the supplier attesting to the following:
